

Kramden Tech Scholars

Requirements:

- Must be a student in grades 3-12
- Must be nominated by an educator who works with the student in a academic setting
- The student must be hard-working or academically motivated
- The student must not have access to a working computer in their home

Program Details:

Students nominated for this program will receive a refurbished desktop computer* at no cost. The computer award day will take place at the Kramden Office during one of our monthly events unless other arrangements were made with Kramden staff (Kramden does not deliver computers). An award letter will be sent to the nominator when the student is designated for an award day (typical wait time, 1-2 months). Technical support is provided for the computer as long as the student is still in school.
