

# Reuse and Recycle

## Donate your unwanted electronics.

Reusable equipment will be refurbished by Kramden Institute and distributed to families in need.

Saturday, September 7  
8 a.m. to 1 p.m.  
University Place  
Parking Lot @ Willow Drive  
201 S. Estes Drive  
Chapel Hill

*Donations are tax-deductible.*

### Items Accepted for Donation

Desktop computers • Laptop computers • LCD monitors • Peripherals (mice, keyboard, hard drives, RAM, flash drives, power cords, VGA cables) • Servers • Enterprise networking equipment • Tablets • Cellphones • Any age/make/condition

### Items We Do Not Accept

CRT monitors • Printers • Scanners • Shredders • Stereo speakers  
Household appliances • Consumer electronics • Lamps or bulbs

### Data security

Every hard drive that can be reused goes through software wiping protocol. Hard drives that are too old or fail hardware tests will be physically destroyed through an R2-certified recycler.
