

DESKTOP PRICING SHEET

Kramden Institute is pleased to present its **Tech Equipment Partner (TEP)** program through which charitable organizations such as non-profits, schools, religious organizations and other institutions can have access to affordable technology solutions. To qualify for TEP pricing, please contact Kramden first. All sales support Kramden's mission to provide technology tools and training to bridge the digital divide. Purchases are subject to state and local sales tax unless buyer presents proof of North Carolina sales tax exemption.
